

The **Veria Tech Lab** with the support of the American Embassy, organized excellent actions related to STEAM skills (Science, Technology, Engineering, Arts and Mathematics).

In collaboration with the financial supporter of the library, the Lifelong Learning Center **Easy Education**, we organized a seminar on the subject of “Lifelong Learning, Evolution and Contemporary environment”. Saturday April 13th, with remarkable speakers from all over Greece.

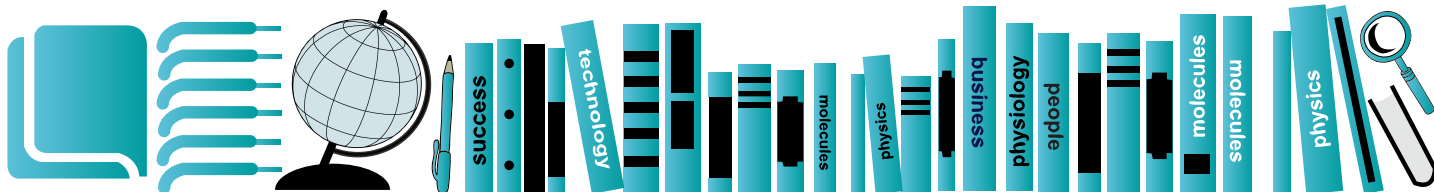

On Tuesday, October 8, 2019, at the premises of the **European Parliament in Brussels**, the Central Public Library of Veria, **the only Greek library**, along with libraries from all over Europe, met with a multitude of people and with Members of the European Parliament, in the context of the actions for “**Generation Code: Born at the Library**”.

Our mobile library, by the financial support of **The Social and Cultural Affairs Welfare Foundation (KIKPE)**, visited 52 lending centres in villages of Imathia and lent 8,488 items.
